

# KUDOS POWER Wireless Charging Kit

### Intelligent Wireless Charging Circuit

-Automatically turn on wireless charging circuit when and only when a KUDOS Wireless Charging Power Case is placed on charging pad. Automatically turn off charging circuit when battery is fully charged.

-High efficiency wireless charging circuit with ultra-low standby power

### Extended Battery

Gives you more time to talk and connect  
 -Up to 6 hours more talk time  
 -Up to 8 hours more video playback time  
 -Up to 32 more hours for your music

### Shock-proof Case

Helps protect your iPhone from drops and bumps.

### Rubberized Grip

Helps you hold on.

### Charge and Sync Your iPhone

While refilling your power case using the included micro-USB cable.

### Long-life Lithium Polymer Battery Cell

Means you can charge over and over without reduced battery capacity. Rechargeable for up to 800 full cycles.

### Integrated LED battery Status Indicator

Lets you know how much charge your case has. Integrated Standby button allows you to check battery status, or put Kudos Power Case in standby mode.

### High Efficiency Power Management Circuit

Lets you squeeze more power to your iPhone. Comes with short-circuit, overcharge, over-discharge, overcurrent, and overvoltage protections.

### Capacity

1400mAH

### Color Selection

Black, Red, & Blue
